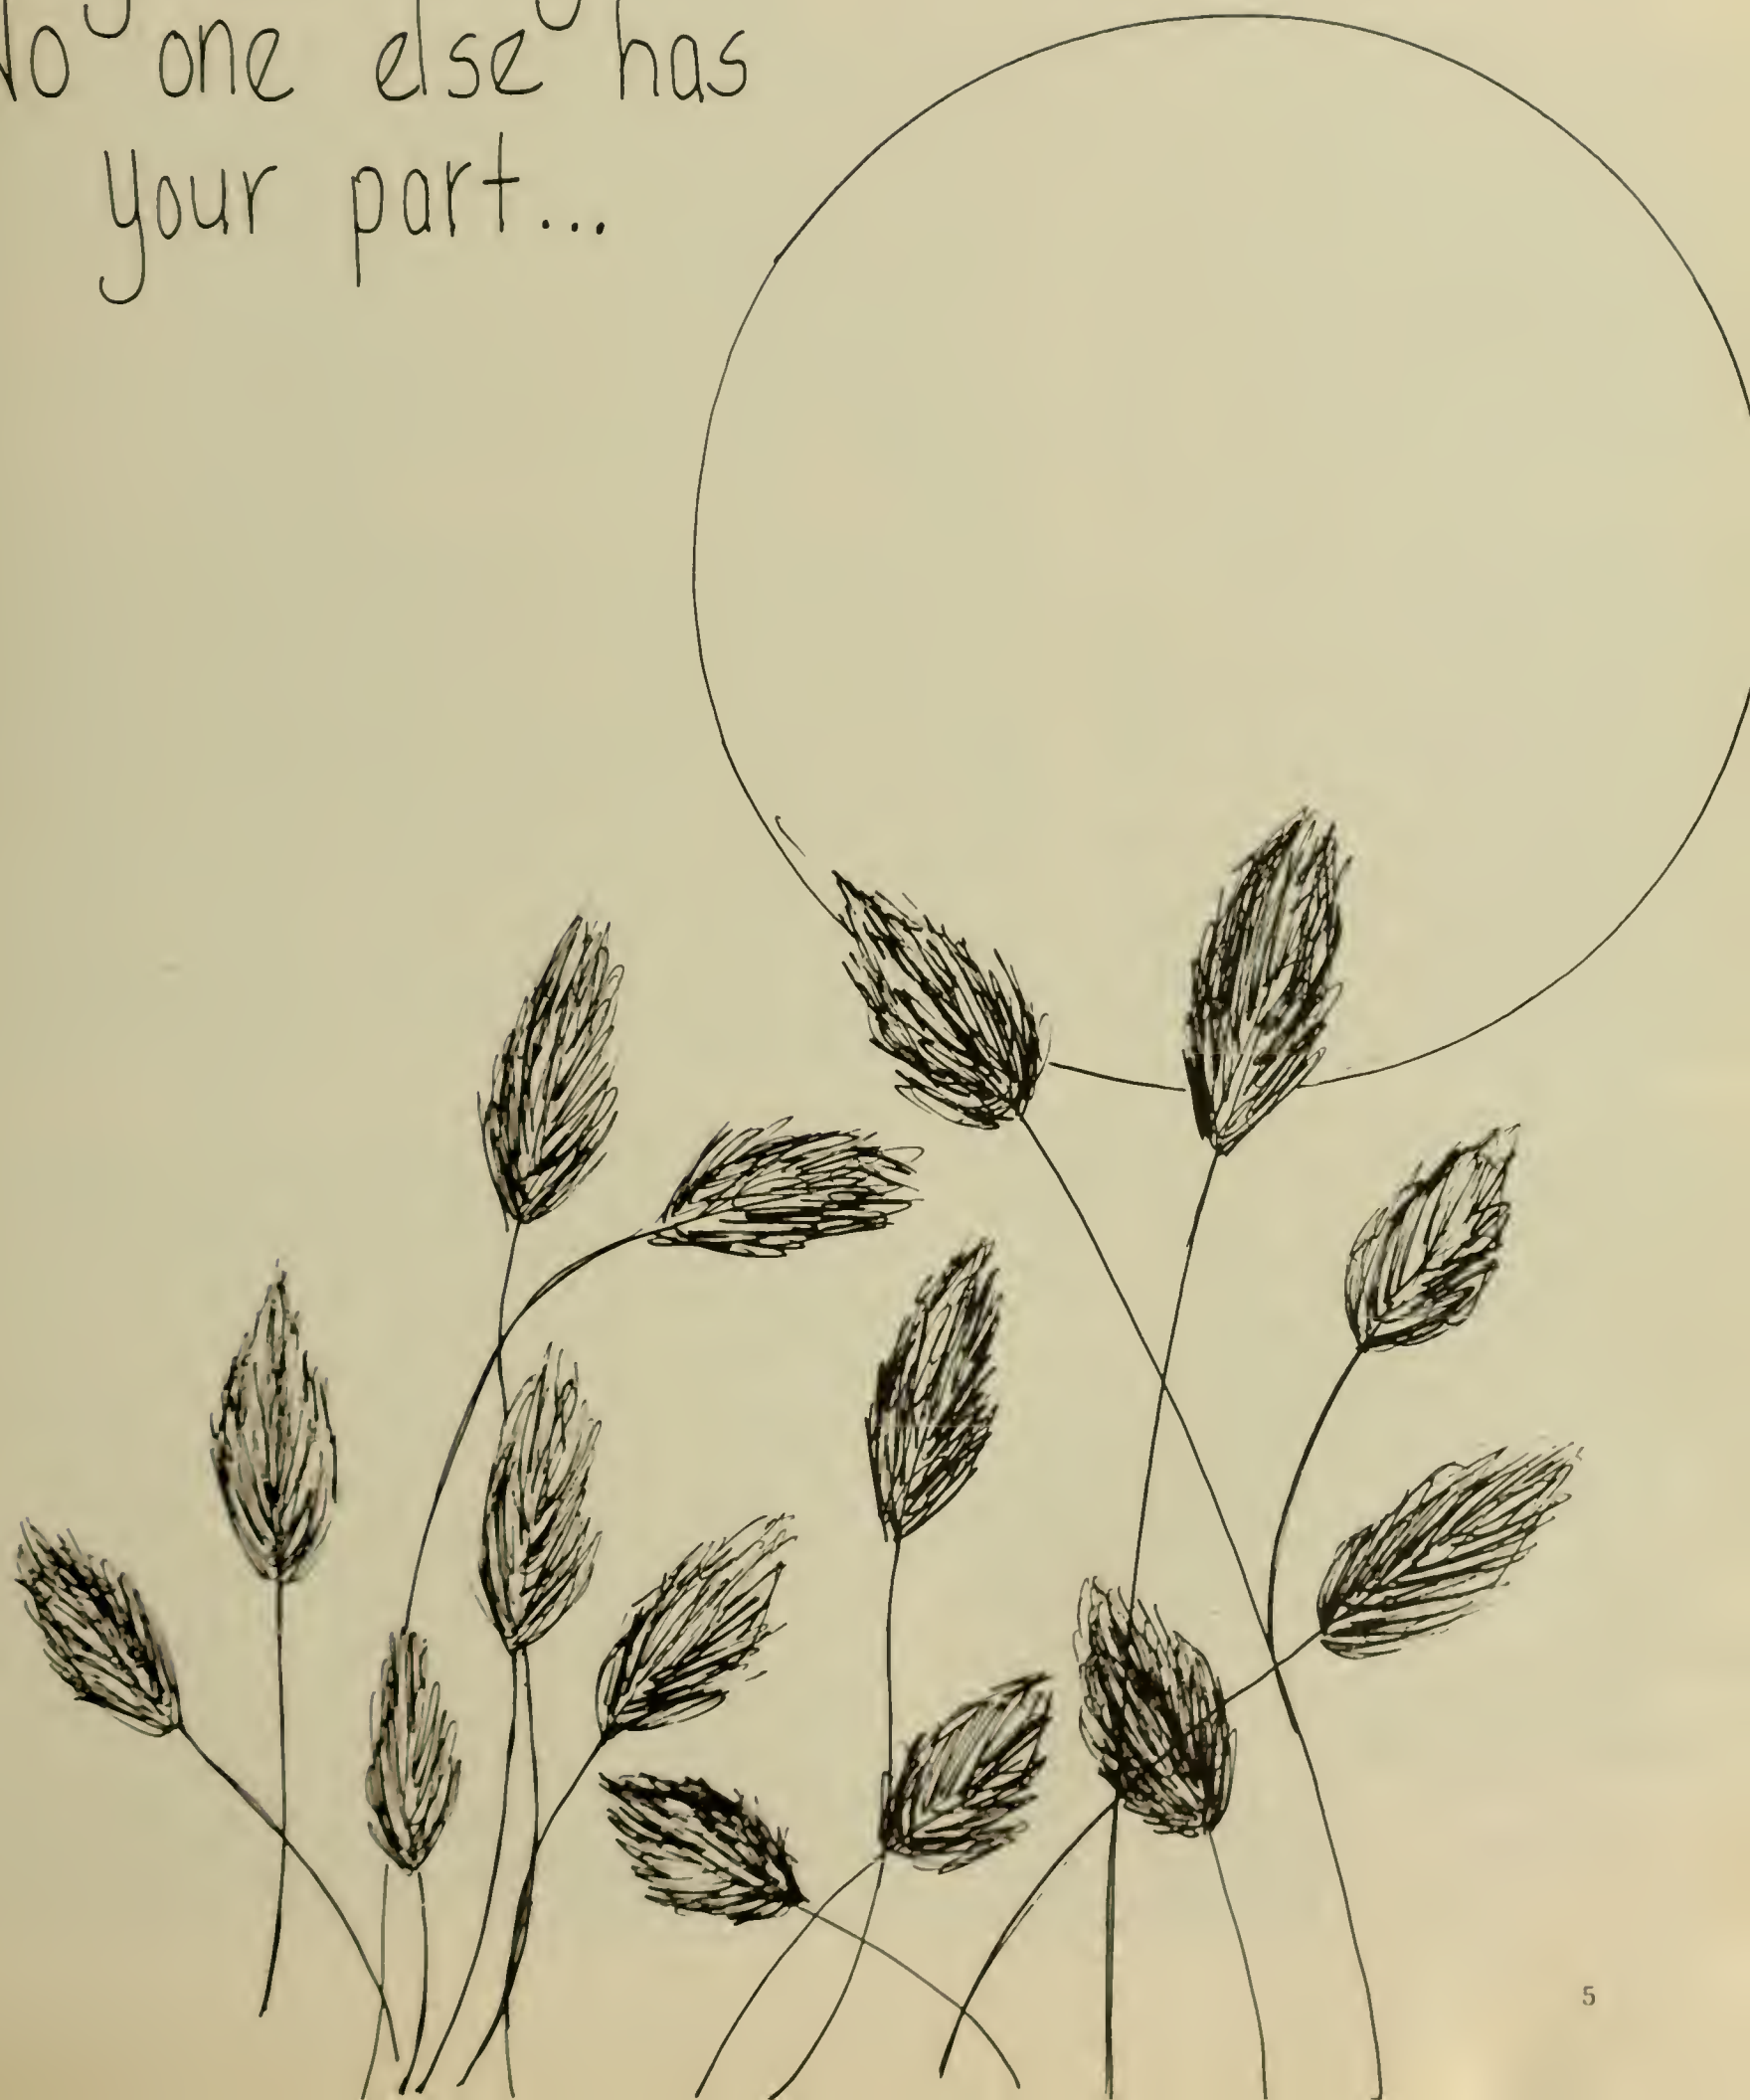
The Class of 1980
presents
the Manor
of
Fairfield University
Volume 30

The class of 1980 is proud to dedicate the Manor to Mrs. Anne Marie Samway. From Freshman Orientation to Senior Week, Mrs. Samway's work has touched the lives of every Fairfield student. Her sincere commitment to the needs of the student body has always been marked by a warmth and friendliness that will be sorely missed. Mrs. Samway will be remembered as she was always seen — with a smile.

There's a world
you're living in,
No one else has
your part...



"So before we end and then begin,
we'll drink a toast to how it's been.
A few more hours to complete,
a few more times that I can say
I've loved these days."

"When you are old and grey,
full of sleep and nodding by the fire,
Take down this book, and slowly read,
and dream of the soft look
your eyes once had."

"I don't need your photograph
to see your face in front of me.
We may never touch again
but you're here
in this memory."

DAME

"If I could make days last forever
and dreams could make wishes come true
I'd save every day like a treasure
and then again
I would spend them with you."

"We can never know about the days to come
but we can think about them anyway.
And I wonder if I'm really with you now
or just chasing after some fonder day.
And tomorrow we might not be together,
So I'll try to see into your eyes right now
and stay right here cause
These are the good old days."

I thought I was a child,
until you turned and smiled,
I thought I knew where I was going,
until I heard your laughter flowing
and came upon the wisdom in your eyes

Yesterday is already a dream
And tomorrow is only a vision
But today well lived,
makes every yesterday a dream of happiness
and every tomorrow a vision of hope.

"There's a time for joy,
a time for tears,
a time we'll treasure
through the years.
When the ivy halls
are far behind,
no matter where
our paths may wind,
we'll remember always.
Graduation Day."

FAIRFIELD

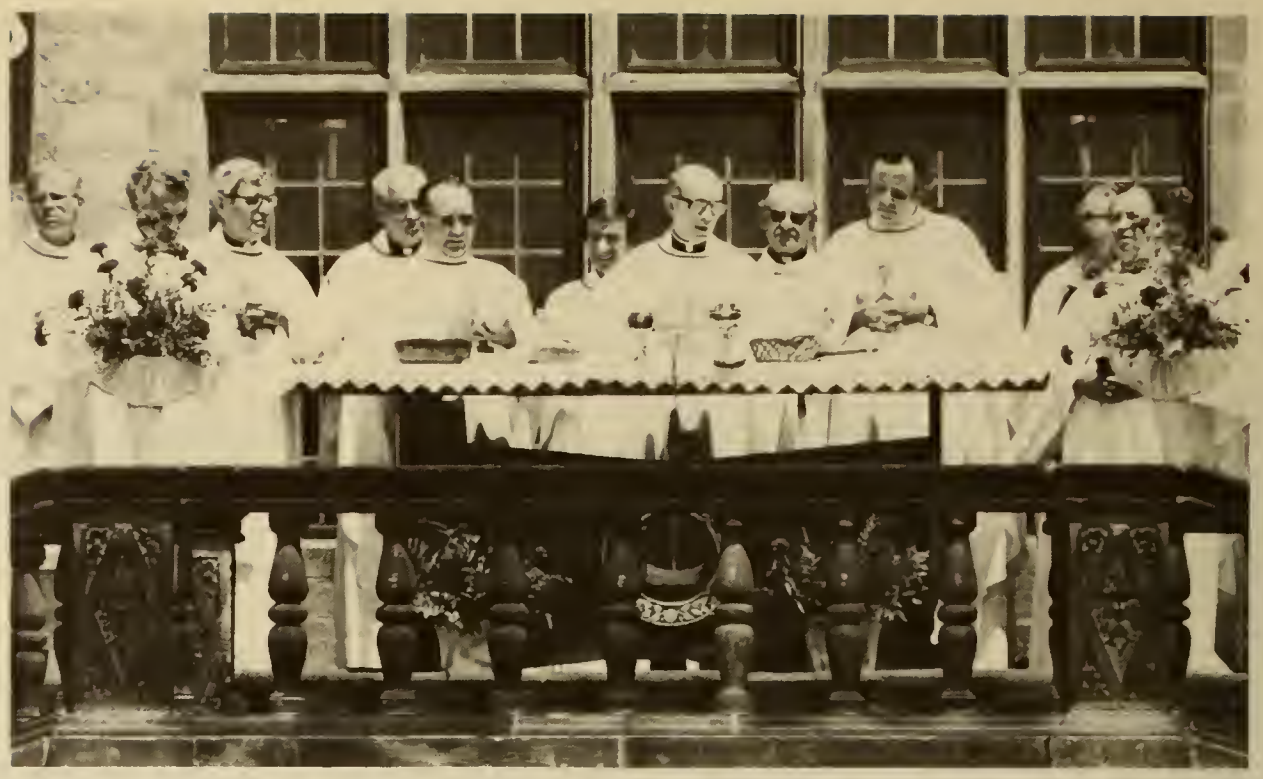
"Time passes on
like a river that must always run,
Now you are gone,
but I will have you till time is done.
My life goes on,
like a song that is never still.
I'll sing my song to the emptiness
I'll never fill.

"The time has come for closing books
and long last looks must end,
and as I leave
I know that I am leaving my best friend;
a friend who taught me right from wrong,
and weak from strong, that's alot to learn.
What can I give you in return?"



Wasn't it yesterday
we used to laugh
at the wind . . .

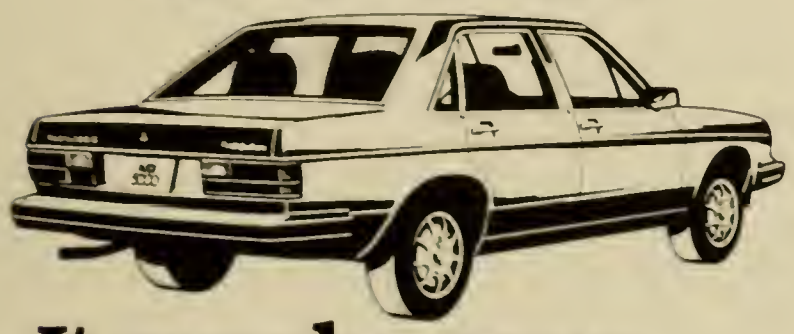
Compare the Audi 5000.



It may be your best value in a luxury European sedan.

Audi 5000 gives you the performance, comfort and features you expect in a fine European sedan, at a price far lower than you'd expect to pay. The interior provides a spacious, sumptuous setting for five adults. Upholstery is rich, cut velour. Instrumentation is complete down to the precise quartz crystal clock. And the highly accurate CIS fuel injection system and front wheel drive combine for an EPA estimated mileage of (17) mpg, 30 estimated highway mpg.

Compare these estimates to the estimated mpg of other cars. Mileage varies with speed, weather and trip length. Actual highway mileage will probably be less.

Even today, you can still get good value in a luxury European sedan. If you know where to look. Our place.

"At that moment, when the world around him melted away,
when he stood alone like a star in the heavens,
he was overwhelmed by a feeling of icy despair,
but he was more firmly himself than ever.
That was the last shudder of his awakening,
the last pains of birth. Immediately he moved on again
and began to walk quickly and impatiently no longer homewards,
no longer to his father, no longer looking backwards."

– Hesse –

Dear Graduate

As the Class of 1980 moves on from Fairfield we are left with memories of the faces and places we had all come to know so well; hopefully, the staff and I have produced a book that we will always be able to pick up and bring the good times of our past together with those of our future.

I would like to take this opportunity to thank the following people, without whom this book would not have been possible: Mr. Fitz and Mrs. Bea Staneko, whose daily concern and advice was of the greatest aid; Marge Scheidl, our Herff-Jones rep. who managed to drag us from deadline to deadline (and even beyond a few). Kay and Mae of the mailroom who put up with our constant "emergency rushes" for film, Katie and my housemates who tolerated my whining for an entire year.

In conclusion I especially want to thank Claire Gillooly and her family, whose home became our summer office and who spent long hours after work helping me to complete this book.

Sincerely yours,
Greg Martin

"Good-bye" is not an ending
when you know that people care,
For miles may come between you
but warm thoughts are always there...
"Good-bye" is not an ending
but a different start for you,
A time for making brand-new friends
and seeing dreams come true...
"Good-bye" is not an ending,
for you'll find along life's way,
Within your heart you'll always have
a part of yesterday.
